

WALKING MOBILE SERVICE ENGINEER - BUILDING SERVICES

Central London

£26,000 - £29,000 plus Central London Travel Card, Mobile Phone, PDA, Uniform, 25 Days' Holiday plus Bank Holidays, Accident & Sickness Insurance

DMG Delta are a well established and rapidly growing organisation, offering a one-stop maintenance and installation solution for building services and facilities management. Working with clients throughout Greater London and the Home Counties, we now have an opportunity for a Walking Mobile Engineer to join the team.

In this field based role you will be responsible for travelling to Central London sites all within walking distance of each other, predominantly within the Clerkenwell or Westminster areas. A travel card will be provided, and this role has the distinct advantage of not requiring a van to get around the Central London area. For the right person there is ample scope for career progression.

Your role will involve carrying out maintenance and reactive repairs to equipment including emergency lights, AHUs, FCUs, pumps, motors, general heating and plumbing. A high level of client liaison will be required.

You will also:

- Maintain set standards in compliance with the Health and Safety at Work Act 1974
- Ensure all on-site quality assurance procedures are adhered to
- Help out other trades (where required)
- Provide clear, concise and accurate reporting information for further repairs or installation

To succeed in this position you must be an experienced Field Service Engineer / Electrical Maintenance Engineer with the following:

- Formal electrical qualifications and/or air conditioning qualifications
- Good general HVAC experience
- Knowledge of systems including full power and lighting, air handling, general ventilation, heating and cooling
- Good all-round communication skills

Candidates will be expected to provide their own small hand tools kit, any specialist equipment will be provided.

Any multi-skilled experience or further knowledge of building services would be beneficial to your application.

To apply for this role, please either download the application form from this site, or contact Karen Hammond to request an application form via one of the following methods:

Tel: 01279 810101
Fax: 01279 815554
Email: karenh@dmgdelta.co.uk

Please include a copy of your CV where possible when sending in your application form.
